To: _____

Dear, Sir/Madam

It is my pleasure to inform you that I have great interest to work in your esteemed institution/organization. I have received BA Degree in Computer Science from Woldia University. I am young, energetic, hardworking, honest and sociable person, who is willing to work even under difficult circumstance. I believe that I am capable of working my job independently with a very good degree of efficiency and have a good spirits towards team working.

I have also the capability to present the good image of the institution organization and will try my best to bring success in all regards. And I am also interested in your organization Goal and aim.

Thank you.
